

Hycos Shooting Club

Safety Rules and Regulations

1. No new member is allowed to use the range until he or she has received a Range Safety
2. Orientation including a firing exercise and instruction on proper use of Club facilities.
3. **NO ALCOHOLIC BEVERAGES OR CONTROLLED SUBSTANCES** are allowed on the Range property.
4. For your own safety, always wear ear protection.
5. All weapons must be unloaded and bolts open when other members are down range or when anyone is past the firing line.
6. No handling of weapons when members or guests are downrange.
7. **Do not shoot above the berms or backstops.**
8. Treat every weapon as if it were loaded.
9. Shooting Hours are weekdays; Sunrise to Sunset. Sunday: 01:00 P.M. until Sunset.
10. Do not drive on the range.
11. Shoot **only** at **Targets in front of berms close enough so that all bullets go into the berm and cannot ricochet over the berm.**
12. No one under 18 years of age is allowed to shoot on Club property unless accompanied and supervised by an adult club member
13. Hycos Shooting Club reserves the right, at any time, to revoke your membership for unacceptable behavior, destructive and/or unsafe practices.
14. The range is closed the fourth Saturday of each month for the Silhouette Match until the match is over.
15. **DO NOT** shoot silhouette targets with **centerfire rifles.**
16. **DO NOT** exceed 5 MPH Speed Limit while traveling thru the residential portion of the driveway to get to the range.
17. Prohibited Firearms: Any rifle firing a projectile larger than .45 calibers, except black powder hunting rifles. Fully automatic firearms are prohibited, or rifles modified to simulate full auto fire. Commercial and homemade cannon or mortars of any size or projectile are also prohibited.
18. Each member is responsible for cleaning up their trash and brass before he leaves the range
19. Membership badges must be worn at all times on range property.
20. Members and guests must sign-in on the register upon arrival at the range and sign out when they leave.

THINK SAFETY FIRST!
